ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: After 6 a.m. Eastern Time (3 a.m. Pacific Time; 4 a.m. PDT) there are no restrictions to shopping or important decisions today. The Moon is in **CANCER**.

ARIES (March 21-April 19) ★★★ Today your focus is on home, family and your private life. Fortunately, you have lots of physical and intellectual energy. Nevertheless, steer clear of arguments with parents, older relatives and authority figures. Venus opposite your sign will promote charm and diplomacy with everyone. Nice! Tonight: Relax at home.

TAURUS (April 20-May 20) ★★★★ This is a busy day! You have strong emotional and physical health today, plus lots of energy and emotional force. Look for ways to make home improvements. Discussions with children and romantic partners will be lively and energetic. Try to ignore the judgment of older people. You've got this. Tonight: Discussions.

GEMINI (May 21-June 20) ★★★ Today your mind is focused on money matters as well as things that you own. You have the energy to make home improvements and deal with practical issues like cleaning or moving furniture around. Don't be discouraged if an older friend or a member of a group is critical. Pfft! Tonight: Check your belongings.

CANCER (June 21-July 22) ★★★★ Today the Moon is in your sign dancing beautifully with fiery Mars, injecting you with strong emotional and physical health. You're raring to go! Relations with a parent or an authority figure might discourage you. Instead, focus on work. Enjoy the company of younger people. Tonight: You win!

LEO (July 23-Aug. 22) ★★★ Don't hide your light under a bushel today, which you might be tempted to do because privacy is appealing. Basically, you're in a playful mood. Young children and romantic partners might lift your spirits. Don't be discouraged by comments from someone older or in authority. Tonight: Enjoy privacy.

VIRGO (Aug. 23-Sept. 22) ★★★★ You're lucky because fiery Mars is in your sign giving you tons of energy today to accomplish whatever you want to do. Interactions with a friend (probably a female) will be positive and energetic. Clarify any confusion about shared expenses and shared responsibilities. Tonight: Be friendly.

LIBRA (Sept. 23-Oct. 22) ★★★ You're high-viz today. You might take charge or run the show. Be diplomatic with partners, spouses and close friends, because judgmental attitudes will block the flow of conversation. Don't worry about what others think. It's impossible to please everyone. Tonight: You're admired.

SCORPIO (Oct. 23-Nov. 21) ★★★★ This might be a restless day for you, which is why you want to do something different! Travel will appeal. Hanging out with people from different cultures will also interest you. Competitions and physical sports might be on the agenda. Do what you can to relax. Stay chill. Tonight: Learn and explore!

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★ The Sun in your sign gives you energy today, while Mars at the top of your chart arouses your ambition. Discussions about shared responsibilities and shared expenses will go well. However, increased responsibilities with children might be in the picture. Patience is key. Tonight: Check your finances.

CAPRICORN (Dec. 22-Jan. 19) ★★★ Do your best when dealing with spouses, partners or close friends today, because there might be a lack of emotional flexibility. People are judgmental, which can make life hard. Fortunately, with Venus high in your chart, you make a great impression on everyone. Tonight: Be cooperative.

AQUARIUS (Jan. 20-Feb. 18) ★★★ You have lots of energy to work today; however, you might be too worried. Lighten up. "Worry is like a rocking chair. It gives you something to do but gets you nowhere." You know this. Do your best, and that's all you can do. Bravo! Tonight: Get organized.

PISCES (Feb. 19-March 20) ★★★★ Social occasions, sports and time spent with children might have an element of "duties and obligations." Fortunately, you make a great impression on everyone who will look to you for their cue. Be a gracious role model. Take one for the team. Tonight: Have fun!

HAPPY BIRTHDAY

For Thursday, Nov. 26, 2026:

You're a freethinking individualist who is an organized, practical visionary. You have a quest for knowledge and innovation. This is a slower paced year. It's OK to rest and rejuvenate yourself. Seek out people who are kind, helpful and have your back.
