YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: After 7 a.m. Eastern Time (4 a.m. Pacific Time; 5 a.m. PDT) there are no restrictions to shopping or important decisions today. The Moon is in **LEO**.

ARIES (March 21-April 19) ★★★★ Good news! This is a fun-loving, adventurous day! Look for ways to enjoy new experiences. You will also find it rewarding to help children, animals and anyone in need. This is also a sweet day for romance. You're in the groove! Tonight: Socialize!

TAURUS (April 20-May 20) ★★★ Family relations will go well today. You'll find it personally rewarding if you can help a family member, especially a parent. You might do this with financial or practical assistance. Nevertheless, power struggles with someone might take place today. Go gently. Tonight: Relax at home.

GEMINI (May 21-June 20) ★★★★ There's a feeling of excitement in the air because today is full of interesting possibilities. You might help a friend in need or lend your energy to a charitable organization because you care. You'll also enjoy socializing and stepping out with a partner, spouse or close friend. Tonight: Interesting discussions.

CANCER (June 21-July 22) ★★★ You might have excellent moneymaking ideas today. Certainly, financial transactions and your thoughts about money or increasing your earnings will be solid and doable. You also might give money to a worthy cause or someone in need. Tonight: Organize your belongings.

LEO (July 23-Aug. 22) ★★★★ This is a lovely day! The Moon in your sign gives you a slight advantage over all the other signs. This means if you want something, ask for it. The odds are you will get it! Meanwhile, this is also an excellent day to be generous to others and show your compassion. (A privilege, actually.) Tonight: You win!

VIRGO (Aug. 23-Sept. 22) ★★★ You might want to keep a low profile today and hang out at home. However, some of you might be dealing with a parent, which means you might want to hang out somewhere else. Either way, take it easy today. Or explore some outdoor sports to burn off your high energy. Tonight: Enjoy solitude.

LIBRA (Sept. 23-Oct. 22) ★★★★ Discussions with others will be charming and mutually pleasing today. You feel a genuine empathy for everyone you encounter. In fact, if you can help someone in need, you will. Meanwhile, someone older, wiser or more experienced might help you. Tonight: Be friendly.

HAPPY BIRTHDAY

For Saturday, Nov. 28, 2026:

You're astute, observant, dynamic and intuitive. You also have an innate sense of fair play. This is a year of building and work where you might build external or internal structures. Simplicity is key. Take charge of your health. Physical exercise is important. Stay grounded and levelheaded.

BORN TODAY

Actor Ed Harris (1950), actress, filmmaker Karen Gillan (1987), TV host Jon Stewart (1962)

SCORPIO (Oct. 23-Nov. 21) ★★★ People notice you today. In fact, some people will know personal details about your private life. Yes, I know that makes your teeth itch. But they might admire your public efforts to help others who need assistance. It might be good press that makes others notice you. Tonight: You're admired.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★ As the traveler of the zodiac, you are more aware of the suffering of other countries than many. Today you might want to act on your own altruistic feelings by doing something to benefit needy children, in particular in another country. (Very noble.) Tonight: Explore and learn!

CAPRICORN (Dec. 22-Jan. 19) ★★★ You make a lovely impression on others today because fair Venus is high in your chart. Meanwhile, financial issues and discussions with an older parent or relative might result in you or someone else showing generosity where it is needed. (Very wise, because what goes around comes around.) Tonight: Check your finances.

AQUARIUS (Jan. 20-Feb. 18) ★★★★ Today the Moon is opposite your sign, which means you have to be accommodating and perhaps go more than halfway when dealing with others. Nevertheless, relations with friends and groups are mutually beneficial. Get out and promote your ideas to help the world. Tonight: Listen and cooperate.

PISCES (Feb. 19-March 20) ★★★ You make a great impression on everyone now because the Sun is high in your chart casting you in a flattering spotlight. Today in particular, you will want to help a co-worker or a pet if you can. Do whatever is possible. Tonight: Get organized.
