Student of the Month

Marcus Shady

6th Grade at Central DeWitt Intermediate School
Parents: Melissa and Devin Shady

Marcus was nominated for Student of the Month for the respect he shows to staff and fellow students and his willingness to help whenever he can.

Whether volunteering in class, asking questions, or offering a helping hand, Marcus isn't afraid to get involved. He understands that sometimes people need a little extra help and believes it's important to be someone others can count on.

That outlook carries into the way he approaches school and friendships. Marcus enjoys hands-on classes like STEM, band, choir, and Level Up, where teamwork and building friendships are part of the experience. He believes a good friend and classmate is someone who builds others up and encourages them to succeed.

Helping others isn't the only area where Marcus is willing to go the extra mile. He's especially proud of his progress in math this year. With extra practice at home and help from his mom and Mrs. Robinson, he was able to improve his grade in a subject that turned out to be easier than he initially expected.

Outside of school, Marcus enjoys staying active and spending time outdoors. He likes playing football, baseball, and soccer, along with bowling and watching racing.

When asked what being a SABER means to him, Marcus pointed to kindness, respect, and looking out for others. He believes everyone has the ability to encourage those around them, be kind, and make a positive impact on someone's life.

Congratulations, Marcus, on being recognized as a Student of the Month!
