Victim Information: MEDFORD POLICE DEPARTMENT

Location of Crime(s) in Jackson Co.: 695 BRIAN WAY, MEDFORD OR 97504

Brief Summary of Probable Cause:

ASSIGNMENT:

On 10/27/22 at approximately 0720 hours, several Medford officers and I were dispatched to the area of Crater Lake Av/E Jackson St where an unknown citizen was reporting they were behind a white in color Mazda CX-9 SUV which the citizen advised was stolen. The unknown citizen also reported the driver of the vehicle was armed with a firearm. The unknown citizen was reported to be uncooperative with Dispatch and would not provide the license plate on the vehicle. The unknown citizen reported they followed the vehicle for several blocks throughout Medford before they last saw the vehicle driving west bound on Stewart Av from the area of S Riverside Av.

OFFICER'S ACTIONS:

While responding to the area, I attempted phone contact with the unknown citizen from the number they called in on (541-291-7381). A male answered the phone and when I told him who I was, he immediately hung up the phone.

While checking the area for the vehicle, a white in color Mazda SUV passed me traveling north bound on Lozier Ln passing Thunderbird (2347 W Main St). There was no front license plate on the vehicle. I turned around to obtain the license plate on the vehicle and found the the rear license plate was Oregon: 198KDC. I ran a wants check on the license plate and found it returned to a 2017 Mazda CX-5. After examining the vehicle, I found the vehicle was actually a Mazda CX-9.

I continued following the vehicle until the driver pulled into the Walgreens parking lot (2280 W Main St). I pulled in behind the vehicle and turned my vehicle around and pulled behind the rear passenger side of the vehicle where I conducted a traffic stop on the vehicle by activating my emergency lights. I approached the vehicle and asked the driver to roll the rear passenger window down where I spoke with him (the driver was

Verified Correct Copy of Original 10/28/2022.

later identified as, Daniel Ryan Lee Tiger). I asked Tiger for identification. Tiger looked around his vehicle before telling me he did not have it with him. I asked Tiger what his name was and he told me his name was, Glenn Chasteen DOB: 03/26/88 and that he had an Ohio driver's license.

I asked Tiger for proof of insurance at which point he told me the vehicle belonged to his mother. I asked Tiger to contact his mother and have her send him a copy of his insurance card. While Tiger was attempting phone contact with someone (who I assumed was his mother), I asked Dispatch to run a wants check on the name he provided me with (Glenn Chasteen DOB: 03/26/88). I was advised by Dispatch that there was no one by that name in files but there was a male with the same date of birth named, Glenn Wallis who had a warrant for their arrest.

I requested Dispatch to send a DMV photograph of Wallis. Officer Moore and Officer Goleman arrived on scene. Officer Moore pinned Tiger's vehicle in from the back by placing the push bumper on his police car directly behind Tiger's rear bumper as his vehicle was nose first into a parking stall. Officer Moore told me he believed the driver was Wallis based off the Oregon DMV photograph he looked at.

I requested Officer Moore to go to the driver side of the vehicle with Officer Goleman to take Tiger into custody while I stood by on the passenger side of the vehicle to keep eyes on Tiger as he suddenly began acting extremely nervous when Officer Goleman and Officer Moore arrived on scene. As Officer Moore began walking to the driver side of the vehicle, Tiger turned his vehicle back on and accelerated backwards into Officer Moore's patrol vehicle (vehicle 14). I drew my firearm and gave Tiger orders to stop but he continued backing the vehicle further backwards eventually pushing Officer Moore's patrol vehicle to the side. Officer Moore had to jump out of the way to avoid being struck by his own patrol vehicle which Tiger almost rammed into him. Once Tiger had successfully forced Officer Moore's patrol vehicle completely to the side, Tiger continued driving his vehicle backwards up and over the embankment and planter box on the west side of Walgreens.

Tiger's vehicle backed recklessly into oncoming traffic on N Ross Ln and narrowly avoided colliding with several vehicles traveling both north and south bound on N Ross Ln. Tiger then maneuvered his vehicle north bound and took off at a high rate of speed. I could see Tiger swerving in and out of oncoming traffic to pass vehicles as he continued north bound on N Ross Ln passed McAndrews Rd.

Due to Tiger's extremely reckless driving and excessive speeds, I requested all officers to terminate the traffic stop as I knew Tiger was approaching the school zone at Logos Public Charter School (1203 N Ross Ln). I lost sight of Tiger's vehicle as he continued to weave in and out of oncoming traffic on N Ross Ln.

A few moments later, Officer Tucker and Officer Hardaway advised over the radio they located Tiger's vehicle abandoned near the intersection of Rossanley Driver/N Ross Ln. Dispatch advised several citizens began calling in stating Tiger had fled from the vehicle. Dispatch advised a citizen reported seeing him holding his waist band as if he were holding onto a weapon. Moments later, Dispatch advised additional citizens reported seeing Tiger armed with a firearm.

Several officers began flooding the area and set up a perimeter around the area. Dispatch advised a citizen observed Tiger run into 695 Brian Way. The building was evacuated and surrounded.

Once the building was surrounded, I was able to look at the DMV photo of Wallis and found that was not the suspect (Tiger).

EXIGENT VEHICLE SEARCH:

As we did not yet know Tiger's true identity, I responded to Tiger's vehicle and began searching the vehicle with Officer Hardaway for identification. While searching the vehicle, I located a green in color backpack on the passenger floorboard. Inside the backpack I located a set of Oregon license plates (855NBF). I asked Dispatch to run a wants check on the license plates and was advised they returned to a 2016 Mazda CX-9 which was reported to be stolen (MPD case# 22-16488). Officer Hardaway verified the vehicle we were with was in fact the stolen vehicle by the last four digits on the VIN. While continuing to search for identification inside the backpack, I located a black nylon handgun holster. I also located a wallet with an Oregon driver's license inside belonging to Tiger. I was then able to confirm Tiger's real identity with the Oregon driver's license. I advised Tiger's real identity over the radio to searching and perimeter officers and asked Dispatch to run a wants check on Tiger.

OFFICER'S ACTIONS:

Officer Hardaway and I immediately stopped searching the vehicle once I located the driver's license belonging to Tiger. Dispatch advised Tiger had several warrants for his arrest out of several states. Dispatch also advised Tiger had several caution flags for violent behavior and was known to carry firearms.

Detective Ford and Detective Rodgers arrived on scene and completed a telephonic search warrant to continue searching the rest of the vehicle. Refer to their reports for further. The vehicle was eventually towed by Dick's Towing to their tow yard. I requested the vehicle be removed from LEDS and NCIC as stolen.

Medford SWAT arrived on scene and began tactical preparations to apprehend Tiger. After giving several commands to come out, at approximately 1022 hours, several Medford SWAT officers made entry into 695 Brian Way. Tiger fired a round which was believed to be at officers and officer retreated out of the building. Tiger remained inside the building and would randomly open doors but refused to exit. At approximately 1040 hours, Tiger began yelling at officers through a door he opened on the south side of the building. Tiger was yelling that he did not believe us and began firing shots inside the building. Moments later, Detective Dennis advised he observed Tiger stick a black semi automatic handgun out the door and point it towards officers. Detective Dennis then advised Tiger retreated further into the building where he lost sight of him. Tiger then fired additional rounds inside the building.

Members of the Hostage Negotiation Team were able to make phone contact with Tiger. They communicated Tiger for several hours. At approximately 1634 hours, Tiger exited the building and surrendered to officers where he was taken into custody by Cpl. Boyd who placed handcuffs on him, which were checked for proper fit and double locked.

Detective Ford attempted to interview Tiger who immediately invoked. I took custody of Tiger and transported him to the Jackson County Jail where he was lodged. I asked Dispatch to confirm his warrants as his descriptors matched those listed on the warrants.

I spoke with Detective Ford by phone who told me they located the firearm Tiger had inside 695 Brian Way which he had stripped down into multiple pieces. The firearm was a black in color Glock 43x serial: AZDZ534 which was found to be reported stolen out of Douglas County. Detective Rodgers requested the firearm be removed from LEDS and NCIC as stolen. Detective Ford later logged the firearm into Property Control as evidence. Detective Ford told me he was able to verify Tiger had fired at least five rounds inside 695 Brian Way as he located five (5) empty 9mm shell casings which he also logged into Property Control.

There was found to be substantial damage to the Westin push bumper on vehicle 14. The replacement cost for the bumper is estimated to be over $1000.

DISPOSITION:

Forward to the District Attorney's Office.

End report. Cartwright #948
