Dear Ojai,

We would like to thank all the groups and individual who have generously donated their time, energy and food to help the Ojai Tent Town community. The kind people of the Ojai Valley have provided us with wonderful home cooked meals, blankets, gloves and cozy socks.

We are grateful to everyone who has filed our bellies and made our lives a bit more comfortable. Your generosity has warmed not just our bodies, but our hearts.

From the Grateful Residents of Ojai Tent Town
