Discover a warm, welcoming, active community in the heart of St. Charles!

Getting older isn't easy, but it doesn't have to be lonely.

Theres so much to do here," says Samantha Davis, administrator of ***Lake St. Charles Retirement Community***. "Having limitless choices is what we are known for!" A few to mention would be weekly trips to local grocery stores, a fitness center with a flat-screen TV, a personal trainer on-site, a beauty shop, a lake where some of our residents like to fish, and all-day, planned activities for every season and occasion.

"Plus, we have a wonderfully friendly and attentive staff with years of longevity."

Situated on a scenic 15 acres with panoramic lake views, between Pralle Lane and Hwy. 94, Lake St. Charles has been voted the #1 Retirement Community, highlighting the excellence of its staff, activities, events, homemade meals and floor plans. Residents can choose from Efficiency, Studio, One Bedroom, Two Bedrooms with Two Baths, and Great Room apartments. All-inclusive amenities include meals, weekly housekeeping, weekly bed linen changed, utilities, internet, premium cable package, maintenance, transportation services, a desk receptionist 24 hours a day, and a large welcoming Social Center.

"The Social Center is a great space. We use it for community gatherings, weekly worship services, movies, art and music activities, happy hour, karaoke, and special events, such as our upcoming Senior Days. Every third Wednesday of the month, we invite guests to join us for Bingo and a themed meal prepared by our expert culinary team," Samantha explained. "We've been hosting these popular Senior Days for over 20 years! It's a chance for seniors who are interested in potentially joining our community to get a first-hand look at our campus, taste our food, and meet some of the people who make Lake St. Charles so special."

The next Senior Days celebration will take place on May 21 with a Spring and Floral theme. Space is limited, so those who are interested should call (636) 947-1100 as soon as possible to reserve their spot.

"We also offer property tours seven days a week, and drop-ins are always welcome. So are phone calls. Someone is always available to take your call," Samantha said.

Her personal mission is to help families find the right fit and for the residents to have the best quality of life experienced at Lake St. Charles.

"Of course, I hope that means finding a good fit with us, but sometimes it means helping to find a better living arrangement somewhere else," Samantha said. "Choosing the perfect place to call home when living alone no longer makes sense can be overwhelming for seniors and their families. I have nearly three decades of experience helping families, so please give me a call."
