My husband and I were married on July 24, 1965, and lived together as husband and wife until we separated on or about January 2015. There were four (4) children of the marriage, all having attained the age of majority, and I am not pregnant.

During my marriage to my husband, our likes, dislikes and lifestyles have become so different that it has caused discord and arguments in our home. We have become incompatible, and our differences cannot be resolved.
