Who needs a cocktail?

psst ... your mouse goes here.

Inland 360.com
360
where you go for what you go

Your interactive web ad goes from this...

Interactive ads appear as the same size and shape as static ads when they first appear on one of our websites.

We could use a cocktail too, but all we have are some cool shirts.

Click & enter to win an Inland 360 shirt!

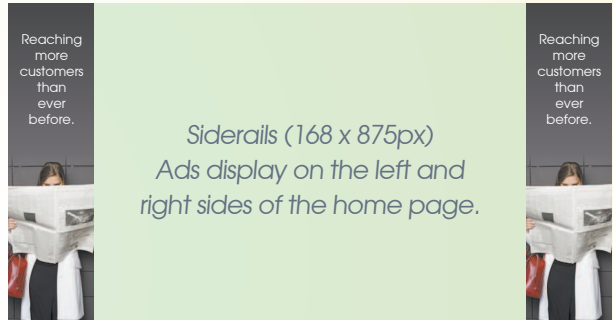

Leaderboard (728 x 90px) : Top and bottom of website.

Skybox (300 x 250px): Top of right channel on page.

Instory (300 x 250px): Left side in the middle on all stories and breaking news pages.

Corner Peel (500 x 500px) Curl-down from right corner on front page.

Dropdown Ad (960 x 30px pencil) (960 x 300px dropdown) across width of home page, expands to dominate page. Limit one day per week, per business.

*Sizes not to scale

...to this!

Once our website visitors mouse over your ad, it expands to a larger size, displaying your interactive video ad.

Skybox	4 Days
Leaderboard	4 Days
Mobile	4 Days
Video	7 Days
Corner Peel	5 Days

NATIONALLY TARGETED DIGITAL MARKETING

Our nationally targeted digital marketing includes in a variety of different digital arenas, including: display, video, search, mobile, and social advertising. Our products focus on search and site retargeting, behavioral and contextual targeting, and online display.

Site Retargeting

Site retargeting targets users who have already visited your site, and then are visiting other sites across the web. Site retargeting is a highly effective method of converting site visitors into purchasers.

Search Retargeting

Search Retargeting is a marketing technique that reaches more searchers more effectively with industry leading keyword level search targeting.

Behavioral Targeting

Tracks online usage like searches and sites visited to determine a user's likes and interests.

Contextual Targeting

Automatically tracks users' online usage to determine a user's likes and interests.

Demographic Targeting

Uses info submitted via online forms, information stored on computers, and IP addresses.
