aligning with the Snow King Master Plan, the 3 Creek project and his history with that project, lot 53 and its history, the final development plan for lot 53, the many entities associated with Snow King Mountain, the need for Council feedback, the need to move forward in a predictable manner, current LDR FAR guidelines, the proposed FAR for the KM-6 parcel, convention space in Jackson, additional convention space at Snow King Resort not making financial sense, the underground parking requirements in the Snow King Master Plan, parking in the area, the plan submitted to SKIRMA, affordable housing, and determining the best uses for the parcel. Matt Kim-Miller, representing Holland and Hart, made public comment regarding the relationship between the KM-6 parcel and the Snow King Master Plan, the requirement for convention and assembly space not being economically viable, the need for Council to determine if the existing convention and assembly space will suffice, the purpose of a planned resort, the flexibility of the master plan, the purpose of the master plan, the development requirements in the master plan, the role and history of SKIRMA, addressing parking in the area, the potential to create an improvement district, and the investments made in Snow King. James Mathieu, representing Contour Investment Properties, made public comment regarding the transfer of land overtime in the Snow King area, and the reduction in size of the KM-6 parcel over time. Dave Larson, representing Snow King Holdings, made public comment regarding Council's comments, the resort district being established before the master plan, resort districts in the County and related history and reasoning for them not being planned, adoption of the 1994 Comprehensive Plan and LDR, a conference center not being the only requirement of the master plan, square footage of the convention space compared to total allowed developable square footage in the master plan, SKIRMA meeting all of its responsibilities, affordable housing and security requirements being met, SKIRMA levying dues and assessments, Teton Village imposing a resort district tax and related use of those taxes, and allowed uses in the master plan. Bob McLaurin made staff comment regarding options to move forward.

Discussion followed regarding the challenging nature of creating a successful conference business, whether or not Jackson is meeting its convention space needs, community love of Snow King, the impact of all the changes occurring at Snow King, community awareness of the upcoming Snow King changes, the parcel serving community needs, holding a cohesive conversation that includes the public, whether or not to move forward with amending the master plan, the complexity of the issue, gratitude for involving Council, fulfillment of the master plan, development entitlements being based upon the inclusion of convention space, utilizing the Snow King Center for convention space, the level of demand for convention space, funding recreation with the profit portions cited in the master plan, the role of SKIRMA, providing predictability, change being only the constant, making Snow King financially viable, and the public and private land along Snow King mountain, and requesting that staff provide a comparison between the current master plan and the proposal. A motion was made by Hailey Morton Levinson and Bob Lenz to continue this item. Mayor Flitner called for the vote. The vote showed all in favor. The motion carried.

Center Management Inc. (CMI) Presentation on Snow King Center Improvements Revised Plan. Roxanne DeVries Robinson made staff comment regarding the purpose of this item, and this item being listed on tonight's agenda.

John Valiante, representing CMI, made public comment regarding the presentation made at the December 2015 workshop, the proposed floor plan for the mezzanine and related increase in square footage, enclosing the mezzanine area, completing the kitchen area, replacing the compressors, coordination with Energy Conservation Works with regard to replacing the compressors if energy efficiencies are reached, replacing the floor and related process, the WBC grant request, the funding requests from the Town and Energy Conservation Works, in-kind funding counting towards the match, other project costs not eligible for the match, replacing the ice resurfacer, total project cost, expanding revenue at the Snow King Center, the Snow King Center operating at a loss, and the need for a second sheet of ice. Jeff Potter, representing CMI, made public comment regarding the timing of the project, attracting large conferences, the grant timeline, coordination with community organizations, and Snow King Resort sponsoring events hosted by CMI in the past. Kate Sollitt, representing Jackson Youth Hockey, made public comment regarding appreciation for Council's consideration, the importance of the Snow King Center to the Youth Hockey program, and the benefits of the Youth Hockey program. Jeff Golightly, representing the Chamber of Commerce, made public comment regarding the Snow King Center aging, the economic role of the Snow King Center, and leveraging the grant match.

Discussion followed regarding the items listed on tonight's agenda, the ageing mechanical equipment, prioritizing phases 1 and 2, the Town's current tight budget, gratitude for CMI's efforts, the cost of upcoming capital projects, involvement with SKIRMA and Snow King Hotel, maximizing the facility, and use of ECW funding. No action was taken.

Miller Park Parking Lot. Bob McLaurin made staff comment regarding the timing of this item. There was a general consensus to include this item on the February workshop agenda. Adjourn. A motion was made by Don Frank and seconded by Hailey Morton Levinson to adjourn the meeting to executive session to discuss personnel matters in accordance with Wyoming Statute 16-4-405(a)(x) and to consider matters concerning litigation to which the governing body is a party or proposed litigation to which the governing body may be a party in accordance with Wyoming Statute 16-4-405(a)(iii). The vote showed all in favor. The motion carried. The meeting adjourned at 5:01 P.M.

ADVERTISEMENT FOR BIDS

Notice is hereby given that Teton County, Wyoming is accepting sealed bids for a general contract to consist of construction of the Path 22 Middle Connector Project.

The project is generally described as the construction of approximately 2.4 miles of paved pathway (including a 733foot alternate spur pathway) including a precast box culvert underpass with wingwalls, lighting, and associated drainage system; gabion retaining walls; pile and timber retaining wall; guardrails; culverts; grading; erosion control; miscellaneous site restoration and landscaping. Project also includes signage and striping for approximately 3 miles of paved pathways.

The Plans and Project Manual for the work may be reviewed and obtained at the office of Nelson Engineering, P.O. Box 1599, 430 South Cache Street, Jackson, Wyoming, upon payment of a \$75.00, non-refundable fee for supply of the entire Project Manual and complete plan set. No partial sets will be issued.

Questions regarding the technical aspects or requirements of the Contract Documents are to be referred to the Project Manager, Dave Dufault, PE, Nelson Engineering, Jackson, Wyoming, 307-733-2087.

All Bids must be accompanied by a Cashier's Check, Irrevocable Letter of Credit, or a Bid Bond, executed by the bidder, as Principal, and a satisfactory surety company, executed in favor of the Owner in the amount of five percent (5%) of the maximum amount of the Base Bid. The Bid Bond shall be accompanied by a certified copy of Power of Attorney and signed or countersigned by an agent of the bonding company. The Cashier's Check, Irrevocable Letter of Credit, or Bid Bond will be retained by the Owner as liquidated damages if the successful bidder refuses or fails to enter into a contract or to furnish a Contractor's Payment and Performance Bond, and meet the other required provisions including insurance, within ten (10) days after being notified of the award of the Contract. Performance and Payment Bonds, or other collateral or surety acceptable to the Owner, shall be furnished by the successful bidder each in the amount of one hundred percent (100%) of the contract price. Such Performance and Payment Bonds shall be accompanied by a certified copy of Power of Attorney and shall be signed or countersigned by a Wyoming resident

agent of the bonding company. No bid may be withdrawn for a period of sixty (60) days after the date of the bid opening. Each bid must conform and be responsive to all pertinent Project Manual/Project Drawing requirements and acknowledge receipt of all addenda to the project.

Sealed bids will be received in the office of Teton County Engineering, P.O. Box 3594, 320 South King Street, Jackson, Wyoming 83001 until Thursday, February 26, 2015 at 2:00 PM. All bids will be publicly opened and read aloud by the Owner immediately thereafter at the same location. Bids shall be sealed in an envelope plainly marked with the Bidder's name and the following title: "Path 22 Middle Connector Project".

All bids will be reviewed by the Engineer and presented to Teton County for possible action at the next scheduled meeting subsequent to the date of the bid opening.

Attention of the bidders is particularly called to the requirements in the Wyoming Statutes regarding preference for Wyoming products and the 5% preference, which will be given to Wyoming contractors.

A Pre-Bid Conference will be held downstairs at the Teton County Engineering office, 320 South King Street, Jackson, WY, at 10:30 AM, Thursday, February 19, 2015. Representatives of Owner and Engineer will be present to discuss the Project. Bidder attendance at the conference is mandatory.

Teton County reserves the right to reject any and all bids, to waive all informalities, and may accept any bid which in its opinion best serves its interests.
