## HOW TO ENTER

- Click the winners of the 13 games listed by marking an X in the box next to the team you think will win. In the event of a tie, the winner will be determined by two "Tie Breakers" on the contest form. In the spaces provided, give your guess of the exact score in the "Tie Breaker #1 Game." Then mark the total number of points you think will be scored in the 13 games. (Does not include Tie Breaker #1 game). This would complete "Tie Breaker #2." Tie Breaker will be used only if no winner was determined by Tie Breaker #1.
- If two or more persons tie, even with the tie breakers, then the winning prize will be divided equally.
- Only this entry form, or a photocopy of this form will be accepted. Any entries submitted on any other form, or just written down will be discarded. Form can also be downloaded from [norfolkdailynews.com](http://norfolkdailynews.com).
- Clip and mail this form, or a photocopy of this form, by noon Friday of the contest week to be eligible. The Norfolk Daily News is not responsible for late Postal Service deliveries. ALL ENTRIES MUST BE RECEIVED BY NOON FRIDAY OF THE CONTEST WEEK.
- No more than two entries per person will be accepted. Envelopes containing more than two entries per person will be discarded, along with the entries.
- Must be 18 or older to win.
- Employees of the Norfolk Daily News are not eligible to participate in this contest.
