

is looking for a:

Nurse Practitioner

Are you a Nurse Practitioner seeking advancement or even a change in your career path?

Umpqua Health is a partnership designed to improve the health of Douglas County residents and serve those most in need while improving the overall delivery system and accomplishing the Triple Aim (quality care, positive outcomes, and lower costs.)

Umpqua Health is currently seeking a Nurse Practitioner who will work in an administrative and clinical role as an intricate part of the Inpatient Care Management Team (ICMT). The Nurse Practitioner will address the hospitalization and discharge needs of a complex group of patients served either by the managed Medicaid Plan, Medicare Advantage Plan or both (special Needs Plan). This Nurse Practitioner will work both administratively and clinically to ensure follow-up and the best care possible for patients.

If you are motivated to help others and serve our patient needs in Douglas County, we want to hear from you!
