ELEGANT BRIDAL

Clarisse: Eye catching baby doll dress featuring a sweetheart bodice adorned with layers of black sequins and tulle over pink satin. Jewels form a floral pattern that accent the waistline and neck while the back closes with satin corset lacing.

Mac Duggal: Feel exotic and beautiful in this short black satin dress with a unique peacock inspired top. The diamond embellished peacock top adds the perfect amount of detailing to make it pop.

Jovani: Fit and flare. Strapless lace dress with a sweetheart neckline and a sheer corset bodice featuring a full tulle bottom.

Mac Duggal: This dress has a strapless sweetheart neckline that dips into a dropped bodice that hugs your curves while giving extra sparkle with beading and sequins. Tulle hits above the knees to create a mermaid skirt with a sweep train.
