Ah, the time of year in Indiana where if you don’t like the weather, you just wait a few hours. Frazzled nights become hazy into 60-degree days. Sunny skies still elude us into soggy downpours.

At least the spring we know and how will soon be here, and we can more reliably talk about our safety and wellness.

Ah, April. The time of year to think about fitness. As the days grow longer and the sun shines, we can consider how to keep our personal information safe while we work out.

### Purdue West Lafayette offers safety nets for students

**By Exponent Advertising department**

By statistical accounts, Purdue West Lafayette campus is a safe place to walk, ride, live, study and play. But with occasional reports of criminal activity are reported, some students may feel uneasy and want to know what their options are for staying as safe as possible while out and about.

Purdue West Lafayette and Purdue Police offer several resources and programs that can help those on campus feel safe. Some information below has been obtained from Purdue University West Lafayette’s website.

**Safe Walk Program**

Students, faculty and staff of an need of an escort to and from campus buildings may call the Safe Walk Program 24 hours a day, seven days a week at (765) 494-SAFE (7233). Members of Purdue Student Security Patrol or a Purdue Police Officer can provide the safe escorts to caller’s destinations.
