General Information

THE CAMPUS TRANSIT SYSTEM

is a unit of the Auxiliary Services Department providing transportation services throughout the University campus. Bus and disabled student transportation services are provided on a no-fare basis. Through an agreement between the University of Georgia and the Athens-Clarke County government, students may also ride Athens Transit buses fare-free. All services are funded by transportation fees paid by students.

When Do The Buses Operate?

A full level of service is provided on class days, while a reduced level is operated during Finals and during Summer Session. Limited service is provided on other days, excluding holidays. Refer to the service calendar on reverse side for further operating details.

How Do I Know Which Bus To Take?

The Campus Transit System operates nine day routes and two night routes providing coverage to all parts of the University campus. Included in this pamphlet are bus route maps and schedules which will help you determine what bus will take you where you're going. Campus Transit buses have route signs on them identifying which route they are operating on. Campus Transit drivers will be happy to answer your questions and provide assistance, as well.

Where Do I Catch The Bus I Want?

The bus stops are identified on campus by blue curbing and bus stop signs. Most stops have passenger shelters for your convenience and comfort.

Transportation For The Disabled

Priority seating on buses and curb-to-curb van service are available as a courtesy to those members of the University community who establish the need. Van service is available from 7:00 a.m. to 2:00 a.m. on class days. Van service is also available on Sunday evenings when the Public Safety Escort Service is available. All services are available upon request to any on-campus facility and to off-campus locations on either side of streets served by Campus Transit bus routes. For further service and eligibility information call Campus Transit at 369-6220.
