## In Loving Memory of NORMAN FLOWERS

We miss you very much, especially this time of the year, but, God knew best; He needed another Angel to sing Christmas Carols. God has his Angel and we have alot of wonderful memories of Christmases we spent together. Someday we all will be together and celebrate Christmas again.

## In Loving Memory of Glenn W. GARRETT

Remember the happiness and the feeling of good cheer When we celebrated Christmas with the ones we hold near

For at special times like this in almost everything we do

Seems to bring back precious memories of the moments we had with you

Your smile will live on forever and your voice we often hear On Christmas day, as always we will shed a silent tear There's never a day that goes by without joyful thoughts of you

For, no one could bring happiness in the way you used to do.

We all miss you very much,  
**Love always,**  
Shelby, Annette, Bryan and Zack
