Patrol Notes...

Deputies responded to a crash of two cars at the intersection of Highway 52 and 280th Street on Monday evening. The Minnesota State Patrol is investigating the crash, which resulted in one driver being airlifted from the scene to North Memorial Hospital. Cannon Falls Fire Rescue also responded to extricate people from one of the vehicles. Responding from the

DCSO were **Deputies Bryce Schuenke** and **Bryan Hermerding**.

The Old Switch-Aroo...

While on patrol, **Deputy Brian Smidt** observed a car weaving on the roadway, crossing over the center line. While following the truck it abruptly turned into a driveway of a residence and, as he approached the vehicle, he could clearly see the driver and occupant switching seats while it was still running.

Not the best of plans, considering both individuals were very intoxicated. Since both were in physical control of the truck, they got to share in doing field sobriety testing. Needless to say, both were taken into custody and charged with DWI.

Behind the Bars...

Over the past week the jail held on average 286 persons in custody each day. This represents an increase of 12 inmates per day, compared to this time last week. Through the first six months of 2012, the jail has averaged 291 inmates per day, compared to 254 inmates per day for the same period in 2011.

A Little Warm for Klondike Kate...

As has been the tradition, both Eagan and Apple Valley hold their parades on the 4th of July. Eagan's begin mid-morning, followed by Apple Valley's in the afternoon. The heavy volume of traffic in the area made it very difficult for individuals to participate in both parades. However, this year's St. Paul Winter Carnival's Klondike Kate, Peggy Sweeny Junkin, was personally escorted from Eagan to Apple Valley by **Special Deputy Dave Stanek**. She is the wife of former DCSO **Special Deputy Bob Junkin**.
