What other Belleza Brides have to say...

Belleza Salon helped make my wedding day perfect! The makeup artist and hairstylist were amazing when it came to giving me the look I wanted. We had ample time for practice sessions, and on the big day they accommodated all 12 of the people I brought with me. I received so many compliments on our wedding day and I continue to get them when people see pictures from that day. *-Melissa '12 Belleza Bride*

I got married in May 2011 and with the help of Belleza Salon I was able to relax and enjoy being pampered knowing my bridesmaids and I would look fabulous. They were so professional and had everything I needed all in one place from custom spray tans, accessories, hair, and even air brush makeup. I had a picture in my mind of what I wanted to look like on my special day and they were able to exceed my expectations. I loved the fact that they had wedding packages available for my whole wedding party. It really meant a lot to me that my bridesmaids, future mother in law, aunt, and mother were all able to be together. I couldn't be happier and I would recommend Belleza Salon every time. *-Jenny '11 Belleza Bride*
