NEWS BRIEFS

The Scott County Sheriff's Office is sponsoring youth snowmobile training classes this winter.

The classes will be offered on the following dates and times:

- Class 1- Saturday, Dec. 15, 8 a.m. to noon.
- Class 2 — Saturday, Dec. 15, noon to 4 p.m.
- Class 3 — Sunday, Dec. 16, 8 a.m. to noon
- Class 4 — Sunday, Dec. 16, noon to 4 p.m.

Classes will be held at the Scott County Fairgrounds, 7151 190th St. W., Jordan.

Snowmobiles will be provided. Participants should not bring their own snowmobiles.

Children must be at least 11 years old (through age 15) at the time of the class. Children will be responsible for bringing the appropriate clothing depending on the weather as well as a snowmobile helmet.

Prior to attending this training, families are responsible for contacting the Minnesota DNR and obtaining an interactive CD.

The CD-based youth snowmobile safety training class is an introductory class designed primarily for the snowmobile rider with little or no experience in snowmobile operation.

Students obtain and study the safety information on the

interactive CD at their own pace in the comfort of their own homes under the guidance of a parent or guardian. Depending on the youth's age and experience, the CD should take approximately two to four hours to complete.

Once they complete the CD, students print out a "voucher of completion" and look on the DNR website to find and register for a one-day snowmobile safety CD class in their area.

The one-day class includes classroom review of priority safety information and a performance driving course.

A fee of up to \$5 may be collected by the instructor. Each

student will also pay an online DNR fee of \$5 upon completion of the course.

Youth will not be allowed to participate in the classroom review/performance test unless they have first completed the youth snowmobile safety CD.

Prior to attending the class, participants must register by calling (952) 496-8322, Monday through Friday from 8 a.m. to 4 p.m. Space is limited.

Those calling should have the child's full name, date of birth, address and phone number.

A parent must be available to sign a waiver at the beginning of the class.
