

# Panino Brothers offers a new sandwich option

BY KARLA WENNERSTROM  
editor@edenprairienews.com

The new Panino Brothers opened earlier this year at 8335 Crystal View Road in Eden Prairie.

The restaurant is celebrating its grand opening Saturday with happy hour and other specials throughout the day. Live music by "My Drunk Uncle" is planned from 9 p.m. to midnight.

This is the second location for owners Josh Sanders of Lakeville and Melanie Sanders of Apple Valley.

According to the Panino Brothers website, the word "Panino" means "a little bread."

It's a sandwich Josh came up with at a restaurant in Marshall, Minn.

"They're a unique flatbread rolled sandwich," Melanie

said.

"You can kind of do anything you want with it," she said. So if you're in the mood for Italian, you can order the "Fredo Pie," but if you feel like Mexican, you might order the

"Poncho Villa."

"Our sandwiches are very unique. You can't find them very many places," Melanie added.

In addition to the paninos, the restaurant features several

local Minnesota beers on tap, burgers, pizzas, salads and appetizers.

They opened the new restaurant in Apple Valley four years ago.

Josh and Melanie were married. They're business partners and friends now, Melanie said. "We make good business partners," she said.

They brought the restaurant to Eden Prairie because they liked the city.

She said they've heard the location has been four Mexican restaurants before.

"We're hoping not being a Mexican place is what the trick is going to be," she laughed.

The restaurant features great specials, a great happy hour from 2-6 p.m. and 10 p.m. to 1 a.m. and great coupons, she said. "It's good, affordable food."
