Decisions are made on the registration deadline date to hold a class or not.

Additional catalogs are available on our website and a variety of school and community locations.

A "Community Education Monthly" update airs on public access Channel 15. Show times and listing are included in the weekly Shakopee Valley News' TV section. Other community education special events and activities are also shown on this public access channel.

There will also be a free lunch and door prizes. This is a great time to check out the variety of providers available for your baby's birth and pediatric care.
