**Dennis the Menace**

"MY DAD LIKES TO DO CRUNCHES, 'CAUSE HE CAN'T DO A REAL SIT-UP."

**YOUR HOROSCOPE by Eugenia Last**

**If your birthday is today:** Focus on home, family and living within your means. Love and romance are featured and will enhance your personal life and emotional attitude. Strive for peace and choose honorable motives.

**SCORPIO (Oct. 24-Nov. 22)** Someone will use dishonest tactics to get you to indulge in something questionable. Don't get angry when you can find a peaceful solution.

**SAGITTARIUS (Nov. 23-Dec. 21)** An unusual offer will interest you. Whether it has to do with business or personal interests, participation will be your ticket to controlling a situation that can affect your future.

**CAPRICORN (Dec. 22-Jan. 19)** Someone will try to limit your chance to advance. Avoid dealing with institutions or people who put too many demands on you. Trust in your abilities instead of relying on others.

**AQUARIUS (Jan. 20-Feb. 19)** Have fun with the people you love the most. Dealing with children will be enlightening as well as informative. Mix the old with the new.

**PISCES (Feb. 20-March 20)** Be realistic when discussing what you want to do. Listen to others' suggestions and advice. Bring about change that will not only benefit you, but those you care about as well.

**ARIES (March 21-April 19)** Plan a vacation or family gathering. Connecting with old friends will change the way you view someone or something. An educational pursuit will lead to new beginnings.

**TAURUS (April 20-May 20)** Taking positive action will be the best way to impress a loved one. Don't get discouraged if someone doesn't honor a promise. Take care of your responsibilities on your own.

**GEMINI (May 21-June 20)** Bring about change if something isn't working out the way you want. Don't let anyone confuse you with misinformation or vague body language.

**CANCER (June 21-July 22)** You need to keep your emotions in check. If you want to express your feelings, do so with actions. Make a loved one feel special with kindness, not by spending in order to win favors.

**LEO (July 23-Aug. 22)** Socializing with business associates will require insight and restraint. You don't want to give anyone you work with the upper hand. Friendly but cautious action will help you stay on top.

**VIRGO (Aug. 23-Sept. 22)** Problems will surface if you don't address emotional situations directly. Hemming and hawing will make matters worse. If you love someone, you need to listen to and console him or her, and offer good advice.

**LIBRA (Sept. 23-Oct. 23)** Taking short trips or looking for information that will help
