What is Rotary?

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary’s main objective is service — in the community, in the workplace, and throughout the world.

The Clarion Rotary Club is part of this international service organization dedicated to providing volunteer service to Clarion County communities and abroad.

A wide variety of local service projects ranging from youth leadership and scholarships, to community improvements are undertaken each year. All proceeds from this auction will benefit the work of the Clarion Rotary Club.

Thank you for your generous support today.

Clarion Rotary: Over 55 Years and Going Strong

The Rotary Club of Clarion will celebrate its 57th anniversary in April, 2018. Clarion Rotary has an excellent track record of community service as highlighted elsewhere in this special tab, but let’s take a look back at the history of the club.

The Rotary Club of Clarion first held its charter presentation on Wednesday, April 5, 1961, at the Onized Clubhouse in Clarion. The Knox Rotary Club sponsored the Clarion club. Merrill Cargo, Bill Hearst, B.M. Davis, and Charley Robbe came from Rotary in Knox to form the nucleus of the new Clarion club. The Knox club disbanded in later years and many of its members joined the Clarion group.

Toastmaster for the charter meeting 1961 was Phil Hammer, a past district governor and official founder of the Clarion club.

The first officers and directors of the Clarion club were: Carl J. Snyder, president; William C. Hearst, vice president; Merrill C. Cargo, secretary; Byrd M. Davis, treasurer; Merritt H. Davis, Phillip J. Gallagher, and Charles W. Robbe, directors. Hearst was the only member to serve as president of both the Knox and Clarion clubs.

After it was chartered, the new Clarion club held its weekly meetings at the Modern Diner. The popular diner proved to be a good location for the club, with many of its founding members working in businesses on a booming Main Street.

The Rotary Radio Auction, now the club’s largest fundraiser in support of local service projects, first started as an auction of donated material off of a flatbed truck at the corner of Sixth Avenue and Main Street. Clarion residents would place discarded items in front of their homes and Rotarians would collect the “merchandise” for the auction. Patterned after a similar auction by the East Brady Rotary Club, the auction required the participation of every Rotary member and the wives often made cookies for sale at the event.

Following the demolition of the diner for what was the former CVS, meetings were moved to the Holiday Inn (now the Comfort Inn) and were later at the former Sheraton Inn, Clarion Clipper, Comfort Inn, the Clarion American Legion and it’s current location at the Clarion Forest Visiting Nurses Association office. Meetings are held Mondays at 12:10 p.m. For more information about joining Clarion Rotary, ask any Rotarian, or check the web site at www.clarionrotary.org.
