We ♥ Are BA<sup>11</sup>  
I like to living in Oklahoma  
even if I was born in Russia.  
I go to C.L.I My teachers are  
Mrs. Ford, Mrs. Price I learn Reading, writing,  
Math and Science.  
I live in a good neighborhood our  
neighbors are our friends.  
My Bother Plays with our neighbor,  
Zac.  
Amareca is a good country  
to live in. I live in Oklahoma and  
it is a great State.  
C.L.I is a great School  
every day kids learn different  
stuff.

April Fools  
April fools day started around 1582 in France. When they changed New Year's day to January 1<sup>st</sup>. Some peopole did not know about the change and continued to celebrate on the wronge day they were called fools.  
I think April fools day is a great day to prank and play around.

### We are BA!

Our festivals and events fill the days with play – Rooster Days with carnival rides and games, Tuesdays in the Park with live music and great food; softball and sports tournaments; Saturday farmers market treats and entertainment; and family-friendly stage and theater productions in our new Performing Arts Center. There's a new adventure hiding around every bend of the six trails at Ray Harral Nature Park, delightful fun at our two aquatic centers and four splash pads, delectable ice cream from our own Blue Bell Creamery, and fantastic events from sand castle building to amazing chalk art displays.

**Rooster Days**  
 My favorite thing about Rooster Days is the food. The food is so good! My favorite food is the corn dogs. I also like the snow cones. I love snow cones! My favorite flavor is strawberry. I also like watermelon. My favorite drink there is lemonade. I always drink lemonade. I drink water, too. I go to the Rooster Days every year. It is always so fun. But you have to wait in lines for everything. But it is worth it because I like the food.

"What Do You Want To Be When You Grow Up?"  
 It was a long day at work yesterday but it was worth it because more Alcohol and Drugs are off the streets. Hello, my name is Eddie I am a 4th grader in Liberty Elementary. I want to work for the Bureau of Alcohol, Tobacco, Firearms and Explosives, or (ATF). Being an ATF would allow me to protect people from harm and stop criminals. After I get my Bachelors Degree of Science I will start training for the ATF. My dream job is to work at the Broken Arrow Police Department, because my dad works there. I would like to keep the tradition going.

the U.S.A BY Olivia

What does it mean to live in the U.S.A.  
 It means a lot to have freedom like go to school if your black, white, purple, pink, green, or whatever color. It's nice to have freedom we can go to restaurants or stores. I am lucky not to go hunt for my food. In Africa you have to hunt for your food. It's not like you can go to walmart and say I need six pounds of beef. So we are lucky to have freedom. I am lucky to have water with out getting sick. What I am trying to say is I am lucky to live in the U.S.A.

**Back to School**

The first thing I do is I go get my school supplies. We pack all my supplies in my backpack. We pack the backpack we go to Justice or Walmart. I play as much as I can. We went to the park nice. I get ready to make lots of friends. Some times I think what it will be like this year. My Dad I sometimes recite my math facts. I also read to him and practice spelling we also watch TV and spend our last summer days we have. A lot of the time I like riding my bike. We have to go to bed early to get ready for school.

In the morning I wake up early so I can get ready for school. I get really nervous. The best thing that is important to me is that I get dressed in my best outfit. Me and my brother run out to the bus stop. But my brother likes not go to school. I remember all my friends I say hello to them. I'm so happy!

Carly Broken Arrow  
 In 1903 Broken Arrow became a town. Broken Arrow got their name when indians broke cane and made there arrows from it, They named there tribe Broken Arrow.  
 Then this man named Newt Williams, moved his buildings to Main Street, and soon Newt became Mayor of Broken Arrow. He moved his buildings closer to the depot in town.  
 If we didn't have that rail road on Main Street people would have to ride horses to Catoosa Depot.  
 The kids in school got out of school in September and October and picked cotton. No matter what the weather was, there hands got scratched and sometimes they had contests.  
 I love Broken Arrow, there are many places in Broken Arrow. I really like going to old museums and Main Street Broken Arrow is a fun place! I've lived there my whole life! BROKEN ARROW ROCKS!

♥ I'm telling about the things I'm thankful for.  
 I'm thankful for my parents because they raised me and took care of me. They also helped me through tough times, when I'm feeling down.  
 I'm thankful for school so I can learn and get a good education so I can get a good job and go far in life. I'm also thankful for the trees because they help me live because they give off oxygen. I'm also thankful for the stars, the moon, and the sun because they give me light. The stars and the moon give me light at night and the sun gives me light during the day.

What it means to give  
Have you ever given someone something important?  
I think giving is good because it helps others, its being kind to others, and it makes you feel good to give. It will make others grate full!

I think giving is good because it helps others. For example, if someone needs help you could help them by giving them coats, and hats for winter. Its being kind to others. For instance, if someone is needing clothes you could donate yours. It makes you feel good to give because your helping someone. In addition, you could give someone something that will make them happy.

There are many ways to give.  
I think giving is good because it helps others, its being kind to others, and it will make you feel good to give. It will make others grate full!
