## Experience It! The Flamenco

"El cante," "el baile," and "la guitarra." Combine the three into one romantic tour de force, and you have the essence of the flamenco...the song, the dance and the guitar. The flamenco's roots began in southern Spain as a 17th-century art form created by Andalusian gypsies. Similar to the blues that originated in America's Deep South, the "cante," or song, was a way for the gypsies to express their sorrow and repression. They sang their lyrics in the dark mines where they worked, using verse to help ease each other's personal grief. As the 18th century approached, the gypsies gained more legal rights and many were able to purchase musical instruments. Soon the "guitarra," or guitar, was added to their repertoire. The "baile," or dance, quickly followed — and like any great art form, the flamenco took off. Soon performances in more mainstream venues like local cafés and dance halls combined with old-fashioned commercialism to make the flamenco the national dance of Spain.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing Collette airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at prescheduled times.

Single accommodations are limited and are available on a first come, first served basis.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

\*At times, without advance notice, the Royal Palace in Madrid may be closed due to official government business. When this happens, the Royal Palace will be substituted with a visit to the Prado Museum or the Modern Art Museum.

\*\*On select departure dates, the visit to the Lladro City Complex will take place the previous day. Please note that this facility is closed on national holidays.

This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking

surfaces should be expected.

The walking tours of Toledo (day 3) and the Alhambra (day 6) are considered to be more strenuous in nature due to the uneven walkways, number of steps and some uphill walks that are required in order to see the historic sights.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
