### **Experience It! Dinner at the Eiffel Tower**

It's like a scene from a movie; the lights of Paris glitter beneath you as you dine inside one of the world's most iconic landmarks – the Eiffel Tower. Proudly rising up on the Champ de Mars in Paris, the historic Eiffel Tower is actually the tallest structure in Paris (and the most visited paid monument in the world). Soak in the exclusive experience as you sample savory French cuisine from the world's gastronomical capital. 58 Eiffel, your restaurant for this unforgettable meal, boasts a contemporary setting that provides a wonderful contrast to the history of the building it resides in. The iron lattice tower was erected in 1889 as the entrance arch for the 1889 World's Fair and was listed as the tallest manmade structure in the world for more than forty years. Stand inside history, relish some fine French cuisine...and take in the most incredible views in the "city of lights." This is a truly unique dining experience sure to be a highlight of your journey.
