Per section 9(b) of my contract, I am hereby providing you in writing with 90 days' advance notice that I will be resigning from my position as superintendent for the Washoe County School District to pursue other opportunities.

I am proud of the work we have accomplished together, including:

- Adoption of a bold, three-year strategic plan that puts the academic success and social-emotional well-being of our students first;
- Historic and long overdue increases to staff compensation to signal support for those who show up each day to support our students;
- Improved working conditions, including day one benefits, that significantly reduced our staff vacancy rates.

I will always be grateful to have been a part of this district and community.

Thank you.
