Tel. (775) 265-8600 Fax (775) 552-3897

January 2, 2026

Nevada Tribal Leaders,

I have called for an emergency closed session meeting on January 12, 2026. I have recently been made aware of a serious issue within ITCN Headstart Program. Please make time to be on this meeting as your Tribe may be impacted. You should have already received meeting details, so this is just a reminder that this meeting is very important.

Thank you,

A handwritten signature in blue ink, appearing to read "Serrell Smokey".

Serrell Smokey, Chairman
