Nye County is now accepting applications for the American Rescue Plan Act (ARPA) Small Business Grant Program

For Fiscal Year 2023, Nye County has allocated $2,000,000 in ARPA funds to assist local small businesses adversely impacted by the COVID-19 public health emergency.

Grant Awards have been made available for small business and nonprofit applicants with fewer than 30 employees who are independently owned and operated.

If you were in business prior to March of 2020 and are still in business today, please visit the Nye County website by going to the Finance department ARPA tab to review the policy to see if you are eligible. You will also find a link to apply online.
