Chief of Staff

To Whom it may Concern

Please accept this letter as my formal resignation from my position as Chief of Staff for the City of Flint, effective **November 30, 2026**.

Serving the City of Flint has been an incredibly meaningful and rewarding experience. It has been both an honor and a privilege to contribute to an organization that plays such an important role in the lives of its residents and the continued growth, development, and advancement of our community.

Throughout my time with the city, I have had the opportunity to work alongside dedicated employees, department directors, community partners, and individuals who share a common commitment to making Flint a better place. I am sincerely grateful for the relationships I have built, the experiences I have gained, and the many opportunities to serve in a capacity that allowed me to make a difference.

My time with the city has provided valuable lessons, professional growth, and memories that I will carry with me long after my departure. I recognize that public service comes with challenges, responsibilities, and sacrifices, but it also provides opportunities to positively impact people's lives. For that, I am truly thankful.

I would like to express my sincere appreciation to Mayor Sheldon A. Neeley for the confidence, trust, and opportunity to serve as Chief of Staff. I am also grateful to my colleagues throughout the City of Flint for their dedication, collaboration, support, and commitment to the work we have accomplished together. It has been a privilege to be part of a team working toward a stronger and brighter future for Flint.

As I am preparing for this next chapter, please know that my decision comes with genuine appreciation and respect for the city, its leadership, its employees, and, most importantly, its residents. Flint is a community with a remarkable spirit, resilience, and determination. I will always wish for the city continued progress, prosperity, and success.

Thank you again for the opportunity to serve not only as the Chief of Staff, and as the former longest serving African American City Councilman in the City of Flint, it has truly been an honor, and I will forever value my time and experiences with the City of Flint.

Respectfully,

Ed Taylor
Chief of Staff
