23 Pro Se Fire Victim Plaintiff,

24 v.

25
26 PG&E CORPORATION, PACIFIC GAS AND
27 ELECTRIC COMPANY,

28 Defendants.

Bankr. Case No. 19-30088 (DM)
Chapter 11
(Lead Case)
(Jointly Administrated)

Adversary Case No. 25-03027

**NOTICE OF DISMISSAL OF
CERTAIN DEFENDANTS**

1 In response to the July 17, 2025 letter from counsel of the Fire Victim Trust, Trustees and Trust
2 Oversight Committee, indicating that they intend to enforce the releases despite Abrams prior efforts
3 to stay the releases [Dkt. 14396] and cease and desist their use, Abrams withdraws the following
4 defendants from the above captioned Adversary Case (#03027):

- 5 • PG&E Fire Victim Trust
- 6 • PG&E Fire Victim Trust Trustees
- 7 • PG&E Fire Victim Trust Oversight Committee

8 This withdrawal is in-part due to the Trustee's indication that without this dismissal notice, they
9 intend to seek proceeds from the corpus of the Trust to defend against the causes of actions and not
10 from any undisclosed insurance policies designed to cover these types of causes of actions.
11 Additionally, this withdrawal is done with an abundance of caution to protect Abrams' family given
12 that the Court has not yet afforded Abrams a stay in the proceeding to assign counsel for the proposed
13 class.

14 Abrams also wants to make clear, in response to the statements within the July 17, 2025 letter
15 from these withdrawn defendants, that Ms. Gelsey through her adversary action and the hundreds of
16 other victims through letters to the court pointing to injustices, are not some secretive agents of
17 Abrams. These PG&E Fire Victims like Abrams and others, seem intent on expressing their own
18 views within the case. The degree to which these passionate statements from similarly situated fire
19 victims also support Abrams arguments to certify a class will be up to the Court to decide.

20 **Importantly, this notice of dismissal of the above defendants does not withdraw this**
21 **complaint relative to the allegations and causes of action against PG&E Corporation and**
22 **Pacific Gas and Electric Company that fall under the categories of willful misconduct, fraud and**
23 **other actionable conduct not released and that are permitted actions under the Plan for Abrams and**
24 **other similarly situated fire victims to pursue given the substantive evidence and good cause having**
25 **been demonstrated.**

26 Executed on July 21, 2025, at Santa Rosa, CA.

27 Respectfully submitted,

28
