Election ballots

Southwest Louisiana’s guide to the Aug. 15 municipal general election

Here’s what voters in Allen, Beauregard, Calcasieu and Jeff Davis parishes need to know for the municipal general election. Voters in Cameron and Vermilion parishes will not vote on any municipal general election. On election day, polls will be open 7 a.m. – 7 p.m.

Early voting will be held July 25- Aug. 8 (including Sunday, July 26 and Sunday, Aug. 1). The deadline to request an absentee mail ballot is Aug. 11 by 4:30 p.m. You can request an absentee-by-mail ballot online at www.pollingplace.la.gov or by writing through your local registrar of voters (other than military and overseas voters). The deadline for voters to request a voted mail ballot is Aug. 14 by 4:30 p.m. (other than military and overseas voters).

Municipal water lines will be extended to some outside city limits

Along Big Lake, Nelson and County Club roads, there are some random roads that don’t have water service because the city annexed around them,” said Galan.

Once the water lines are extended to service areas, Galan said the city will take over maintenance of the infrastructure. Residents that don’t already have water service will need to apply to the city for a water line extension. Galan added that the city has a set of records for all water and sewer lines in unserved areas.

“The city has the records for everyone connected to the lines,” he said. “But it’s up to the individual homeowner. The city has to go through the design and the construction process.”

“(This agreement) really doesn’t create the financial mechanism to do this,” said Galan.

Edwards on Thursday signed an order extending his current mask mandate and other restrictions on businesses until least Aug. 7.

“Shall Allen Parish Recreation Park Commission for a period of 15 years, beginning with the year 2021 and ending with the year 2030, be authorized to continue to receive a voted mail ballot is Aug. 14 by 4:30 p.m. (other than military and overseas voters).
