The Honorable Ron Anders
Mayor of Auburn
144 Tichenor Ave.
Auburn, AL 36831-0950

Dear Mayor Anders:

It has come to my attention that some of the members of the city council are making an issue of the road leading to the new airport terminal a previous council voted to name Mike Hubbard Blvd.

Please know that the naming of the road was not something I had asked for or expected. It was my honor to work on behalf of the cities of Auburn and Opelika as well as Lee County to secure the funds required to build a first-class aviation terminal. For too long, the Auburn/Opelika area had been underserved by an inadequate facility and I was pleased to be able to help provide a way for that to be remedied.

While I deeply appreciated the recognition, I don't want this to be a distraction to much more important issues facing the city, our state and nation. Therefore, I respectfully request that you remove my name from the road and return it to its former name.

I continue to be extremely proud of the Auburn University Regional Airport facility and what it means to our community and am grateful that I was a part of a team effort to make it a reality. My hope is that my request will enable those council members who are spending time and effort fixated on this issue to now focus on much more important issues facing the citizens of Auburn.

Sincerely,

Mike Hubbard
