Bide your time. Listen carefully. Don't over- or underestimate what others say or do. Size up information, and process what's transpired. With the right intentions and a good plan, you will be able to make intelligent choices that will help to stabilize

ARIES (March 21-April 19): Don't dismiss what someone else wants. Giveand-take will help you ward off an argument that isn't necessary. TAURUS (April 20-May 20): Get

involved in an event or activity you've never engaged in before. Meeting new people or getting to know someone you like intimately will lead to all sorts of possibilities. GEMINI (May 21-June 20): The

chance to do something that matters is within reach. Be logical, and consider what you have to offer that will make a difference. in doubt, rethink your next move. It's OK to do things your way and to say no to someone trying to persuade you to take a risk. LEO (July 23-Aug. 22): Make wise decisions. If you let your emotions take

over, you will have regrets. Change is good

only if it improves your life. You don't have to be a participant. VIRGO (Aug. 23-Sept. 22): Your involvement in events, activities and causes will put you where the action is and give you a chance to show off what you have to

LIBRA (Sept. 23-Oct. 22): Live and learn. Participation is encouraged. Take care of your responsibilities early in the day so you don't miss something you want to attend later.

SCORPIO (Oct. 23-Nov. 21): An adventure will spark your imagination and encourage you to explore new possibilities. An important relationship will get a boost and help you make a decision.
