## YOUR HOROSCOPE

**WEDNESDAY, FEBRUARY 6, 2019**

**TAURUS (April 20-May 20):** Consider what you can do for others. Lending a helping hand will encourage better relationships. If you love someone, let them know how you feel.

**ARIES (March 21-April 19):** If you feel compelled to make a change, look for a way to alter your appearance without attracting a lot of attention or visit a place you've never been.

**GEMINI (May 21-June 20):** Stick to the truth, and hang out with people who aren't excessive or who ask for too much. Balance and integrity will help you get ahead and ward off trouble.

**CANCER (June 21-July 22):** Don't worry so much about what others do or think. Do your own thing and enjoy life and those who fit into your plans.

**LEO (July 23-Aug. 22):** Look for a unique way to use your skills. A little will go a long way if you use precision and detail to make what you have to offer stand out.

**VIRGO (Aug. 23-Sept. 22):** Dreams can come true if you make plans and follow through. You don't have to spend a lot to have a good time. Look for simple but effective ways to reach your objective.

**LIBRA (Sept. 23-Oct. 22):** Be careful what you wish for. Changes made can upset someone close to you. Make sure you get the go-ahead before you put your plans in motion.

**SCORPIO (Oct. 23-Nov. 21):** Talk less and do more. If you really want to keep the peace, be sure to live up to your promises. An interesting development will improve your living conditions.

**SAGITTARIUS (Nov. 22-Dec. 21):** Make changes that make sense. Don't let anyone sidetrack you or convince you to do something that is extravagant. Stay in control.

**CAPRICORN (Dec. 22-Jan. 19):** Personal improvements can be made that will calm your nerves and make you feel good about who you are, the way you look and how your life is unfolding.

**AQUARIUS (Jan. 20-Feb. 18):** Embrace change. Look for new beginnings, pursuits and interests. The more you learn and expand your horizons, the more you will end up accomplishing. A job opportunity will encourage you to use your skills and experience in different ways.

**PISCES (Feb. 19-March 20):** Use your intuition when dealing with people who can influence your progress or future. A kind word or gesture will go a long way when you want assistance. Romance is on the rise and will improve your personal life.
