ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert:

Avoid shopping (except for food and gas) and important decisions after 6 p.m. EDT today (3 p.m. PDT). The Moon is in **LEO**.

ARIES

(March 21-April 19) ★★★★★ An unusual idea or an unexpected event might take you into an entirely new headspace today. You might entertain the notion of a new kind of future for yourself than you had previously thought — something more romantic, more spiritual or touchy-feely (call it whatever you like). Tonight: Socialize.

TAURUS

(April 20-May 20) ★★★★★ You are certainly aware of the value of wealth in practical terms. However, today you might receive a new interpretation of the energy of wealth and what is possible to achieve, for yourself or for others. This is illuminating and perhaps liberating! Tonight: Relax at home.

GEMINI

(May 21-June 20) ★★★★★ Something might occur today that makes you more deeply appreciate a friend or a group to which you might belong. You see that this interaction benefits you in an almost idealistic way. Or perhaps this person (or group) inspires you. Tonight: Discussions.

CANCER

(June 21-July 22) ★★★★★ Today you might be admired for taking a stand on a certain issue or speaking up about something that is important to you. What you do will reveal a level of compassion, understanding and idealistic values that might inspire someone else. Tonight: Check your belongings.

LEO

(July 23-Aug. 22) ★★★★★ Some kind of subtle shift might take place that prompts you to think about a different future for yourself, or perhaps a different path. Or you might see how travel or further education can change your future. Whatever it is, it's heartening. Tonight: You're powerful.

VIRGO

(Aug. 23-Sept. 22) ★★★★★ With Venus in your sign, you are gracious and diplomatic, which is a good thing, because a boss, parent or someone in authority might do something that catches you off guard. Ironically, whatever happens might open your eyes to a new way of doing things in the future. Tonight: Enjoy privacy.

LIBRA

(Sept. 23-Oct. 22) ★★★★★ People admire you right now. In an unexpected way, something related to travel, further education, medicine or the law might catch you off guard and open new worlds for you. This could be related to a friend or a group, or not. Be open to see what develops; it might be meaningful. Tonight: Be friendly.

HAPPY BIRTHDAY

For Wednesday, July 15, 2026:

You are imaginative, innovative and empathetic. You have astute analytical abilities. Exciting changes will bring increased personal freedom this year. Stay flexible. Let go of things that have held you back. Seek out new opportunities and be ready to act fast on them. Trust your intuition.

BORN TODAY

Actress Diane Kruger (1976), actor Terry O'Quinn (1952), actor Travis Fimmel (1979)

SCORPIO

(Oct. 23-Nov. 21) ★★★★★ Be aware that people notice you today. Perhaps this is because something unexpected benefits you — an inheritance, bonus, gift or the indirect benefit through a partner or friend. Whatever happens might allow you to expand your world in a way that offers you a more promising future! Tonight: You're admired.

SAGITTARIUS

(Nov. 22-Dec. 21) ★★★★★ Listen to the ideas of partners, spouses and close friends, because they might be the source of something that can lead to a positive shift in your life. It could be a deeper understanding or a deeper appreciation of what you have and who you are. Or it might show you a door that you can open. Tonight: Explore!

CAPRICORN

(Dec. 22-Jan. 19) ★★★★★ Something related to your health, your job or even a pet might have the power to inspire you to consider something in a new light. You might not be content with old goals, because suddenly, new insights promise a refreshing level of consciousness. Tonight: Check your finances.

AQUARIUS

(Jan. 20-Feb. 18) ★★★★★ You might feel more inspired by romance or something related to kids that lifts you to a new level of appreciation and ambition. It's as if you are suddenly seeing new possibilities or appreciating things in a new way, and it's like an epiphany for you. Tonight: Cooperate.

PISCES

(Feb. 19-March 20) ★★★★★ Your appreciation of the value of home and family might take on a new level of meaning today. You might suddenly grasp that it is something more important than you thought. Whatever happens opens your mind to a new awareness. Tonight: Get organized.
