YOUR HOROSCOPE

THURSDAY, JUNE 6, 2019

Partnerships may need a reality check. Question what others want, and consider what you will get in return. Understanding and authenticity will matter. Offer honesty and show concern.

ARIES (March 21-April 19): Size up whatever situation you face, and look for the best way to appease others without being deprived of the things you want to do.

TAURUS (April 20-May 20): Take pride in what you do. A conservative but updated image will give you the edge you need to capture interest from those who have something to contribute to your plan.

GEMINI (May 21-June 20): Do something that will lift your spirits. Consider what you will have to give up in order to get what you want. Dealing with a friend or relative will require honesty and compromise. Don't fold under pressure.

CANCER (June 21-July 22): It's what you accomplish that will count in the end. If you let your emotions take over, it will stand between you and the success you deserve

LEO (July 23-Aug. 22): Sit tight; if you act in haste, you will face repercussions. Someone will send mixed signals. Don't make advances toward someone if you aren't sure that's what he or she wants.

VIRGO (Aug. 23-Sept. 22): Don't expect everyone to like what you do or say. Do what feels right and what's best for you, and you will achieve the happiness you deserve.

LIBRA (Sept. 23-Oct. 22): Look beyond what's going on around you. Concentrate on the things you need to do in order to reach your objective.

SCORPIO (Oct. 23-Nov. 21): Plan a trip or take a course that will help you make a decision regarding your next move. A partnership will undergo an emotional change, and feelings need to be addressed.

Don't trust what others tell you. Go directly to the source and ask questions. You need decision regarding your relationship with a

CAPRICORN (Dec. 22-Jan. 19): Do whatever it takes to bring about the changes that will make you happy. Home, family and your relationships with people you care about will get a boost if you make plans that will bring you closer together.

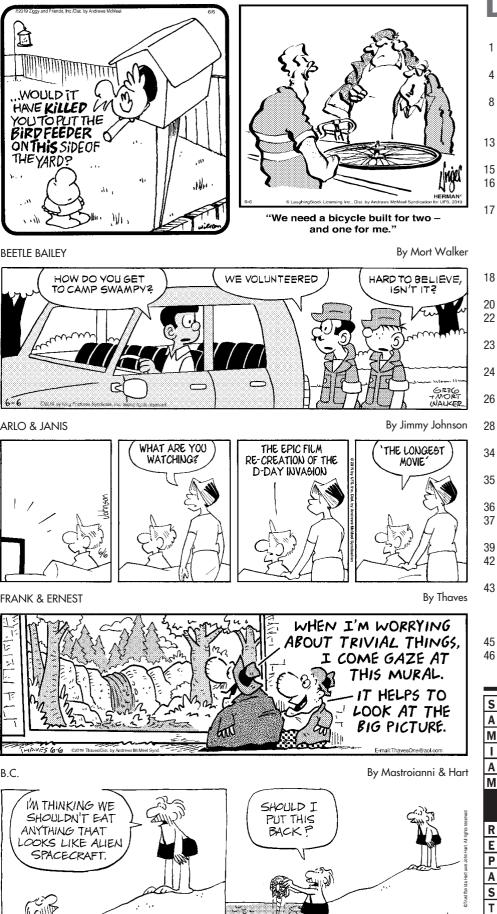

AQUARIUS (Jan. 20-Feb. 18): Don't let a change someone makes influence you. Stick to your original plans, and do your best to make the most with what you've got.

PISCES (Feb. 19-March 20): You'll have a good idea, and if you use it to help a worthy cause, you'll get the support and respect you deserve. Don't let anyone take credit for what you do or convince you to make an unrealistic promise.
