YOUR HOROSCOPE

TUESDAY, MAY 7, 2019

Look at every angle of a situation before making a decision this year. You can manufacture positive options using your intelligence, experience and the strong connections you've made with people who have something interesting and unique to offer.

ARIES (March 21-April 19): Use charm and enthusiasm to win favors. If you try to force others into seeing or doing things your way, you will end up working alone.

TAURUS (April 20-May 20): Take the initiative and start a dialogue with someone you need to reset your attitude and achieve a goal.

GEMINI (May 21-June 20): Plan for a trip, meeting or presentation. How you physically and mentally prepare will be important to the outcome.

CANCER (June 21-July 22): Be careful not to make a mistake regarding your assets, taxes or other important documents. If you try to hide personal information, someone will notice and bring it to your attention.

LEO (July 23-Aug. 22): Stick to what you know and do best. If you appear to be procrastinating, you will miss out on an opportunity. Participation is in your best interest.

VIRGO (Aug. 23-Sept. 22): Play fair, but don't lose sight of your purpose and what you are trying to achieve. Learn through observation in order to bypass a mistake others have made.

LIBRA (Sept. 23-Oct. 22): Live and learn. Participate in events or pursuits that will help build character and add to your qualifications.

SCORPIO (Oct. 23-Nov. 21): A change to the way you use your skills, experience or knowledge will help catapult you into the limelight and up the ladder.

SAGITTARIUS (Nov. 22-Dec. 21): You'll be drawn to people who share your enthusiasm, energy and choice of entertainment, interests and ethics. Physical improvements will give you added strength and the dexterity to accomplish your goals.

CAPRICORN (Dec. 22-Jan. 19): A change will do you good. Examine what others are doing, and you'll come up with a new way to use your intelligence and skills to get ahead.

AQUARIUS (Jan. 20-Feb. 18): Do your own thing. If you follow someone else, you will miss getting the glory and the satisfaction of achievement. You have the skills and the desire, so get moving. Don't overreact to a change or someone's uncertainty.

PISCES (Feb. 19-March 20): Be careful not to let your imagination run wild. A practical approach to helping others, handling money and living within your means will help ward off misunderstandings and problems with friends and family.
