YOUR HOROSCOPE

MONDAY, JANUARY 11, 2021

A change will motivate you to concentrate on the people and things you enjoy and to eliminate tedious situations that bog you down. Make physical challenges that you find stimulating priorities.

ARIES (March 21-April 19): The changes going on around you will be a sign of what's to come. Analyze every scenario carefully. Preparation and using intelligence are your best alternatives.

TAURUS (April 20-May 20): Reach out to experts and those who have helped you in the past. Invest time, money and effort into a lifelong goal. A surprise will put you in a unique position.

GEMINI (May 21-June 20): Keep your wits about you. Look at every possibility; gather information that will help you make the best decision. Don't be a follower. Do your own thing.

CANCER (June 21-July 22):

Partnerships will make a difference. Choose people who have something to contribute, not those who compliment and ride your coattails.

LEO (July 23-Aug. 22): Confusion will set in regarding work and what you want to pursue. Be observant, and you will recognize what lies ahead.

VIRGO (Aug. 23-Sept. 22): Set up a place at home conducive to learning something new or that gives you the space to exercise or do something physical. Focus on fitness and being at your very best.

LIBRA (Sept. 23-Oct. 22): Question anything and anyone who makes you feel the least bit uncertain. Knowledge is critical when dealing with shared expenses, investments and contracts.

SCORPIO (Oct. 23-Nov. 21): Choose personal change over trying to alter someone. Getting along with friends is encouraged. Use your imagination, and you'll deter others from putting you on the spot.

Jumbles: DOILY THORNY FLUID DRAGON Answer: He had the small dent in his wife's car repaired to keep her from - "FIND-DING" OUT

SAGITTARIUS (Nov. 22-Dec. 21):

Remembering what's happened will help you make better decisions. Be resourceful, check facts and question anything or anyone who appears to be suspicious. Know who you are dealing with.

CAPRICORN (Dec. 22-Jan. 19): Take action, put your plan into play and refuse to let anyone get in your way. Let past occurrences guide you to make a better decision now regarding money matters, health and contracts.

AQUARIUS (Jan. 20-Feb. 18): Look for the positive in every situation you face. Concentrate on what you can accomplish, and stop worrying about what you leave undone.

PISCES (Feb. 19-March 20): You'll gain insight into how best to use your time and skills to reach your goal. A promotion or positive change will result in greater cash flow and connection to people who can help you advance. Romance is in the stars.
