YOUR HOROSCOPE

THURSDAY, MARCH 14, 2019

Think twice before making a move this year. Emotions will be difficult to control, causing you to show a sign of weakness and vulnerability. Don't overreact, promise too much or let poor influences come between you and common sense.

ARIES (March 21-April 19): Stick to what and who you know. Being too open or friendly will give someone the opportunity to meddle in your affairs.

TAURUS (April 20-May 20): Go over every detail. To be sure is to be safe. If you play your cards right, you stand to make a substantial gain. Don't let someone coerce you into giving too much.

GEMINI (May 21-June 20): An emotional matter will escalate quickly if deception and poor judgment take over. Be precise, and offer only what you know is factual

CANCER (June 21-July 22): If you want change, be prepared to do the work yourself. An idea you have will be worth fleshing out and can lead to saving money.

LEO (July 23-Aug. 22): Listen to what's being said. Don't argue with the boss or someone in a higher position. Gather your thoughts and get the facts before you decide to make changes.

VIRGO (Aug. 23-Sept. 22): Refuse to let emotions interfere with your productivity or progress. Concentrate on what you want to accomplish, and set goals that you can handle on your own if necessary.

LIBRA (Sept. 23-Oct. 22): Put your personal needs first. Listen to your heart, and make adjustments that will put you at ease. Demanding people should be kept at a distance until you have time to figure out how best to say no.

SCORPIO (Oct. 23-Nov. 21): Interacting with people who are heading in a similar direction will lead to personal growth and greater enthusiasm.
