YOUR HOROSCOPE

WEDNESDAY, MAY 15, 2019

Control will be key this year. Impulsive decisions based on emotions will stand between you and your goals. Take the time to develop your plans properly to avoid jumping into something that may have strings attached.

ARIES (March 21-April 19): Personal changes can be made if you delve into something you've been contemplating for some time. Pay close attention to your relationships with others, and do something nice for someone you love.

TAURUS (April 20-May 20): Live and learn. How you deal with peers and relatives will make a difference to the response you receive.

GEMINI (May 21-June 20): Everyone has problems, but that doesn't mean you should let others bring you down or treat you poorly.

CANCER (June 21-July 22): Keep moving forward, regardless of what's going on in your personal life. Concentrate on helping others and doing your best to achieve your goals.

LEO (July 23-Aug. 22): Take care of responsibilities before someone complains. Once your chores are out of the way, find a way to relax or get involved in something you feel passionate about.

VIRGO (Aug. 23-Sept. 22): Set your sights on what you want, and don't look back. How you handle your past or intertwine it into the present and the future will be crucial to the way things unfold at work and at home. Question indulgent behavior.

LIBRA (Sept. 23-Oct. 22): Ask questions of older relatives or people who may have knowledge of your ancestors or family background.

SCORPIO (Oct. 23-Nov. 21): Keep a lid on your plans until you have everything in place. A personal change you want to make can be initiated.

SAGITTARIUS (Nov. 22-Dec. 21): Honesty and integrity will be essential when dealing with personal relationships. State facts, and refuse to get into an argument with someone who uses emotional tactics or excessive behavior to pressure you.

CAPRICORN (Dec. 22-Jan. 19): Listen carefully. You'll have to read between the lines when dealing with a peer, friend or relative. Listen for any discrepancy that can alert you to underhandedness.

AQUARIUS (Jan. 20-Feb. 18): Look over your personal investments or any dealings you have with courts, banks or other institutions. By taking action, you will make your position clear. Someone from your past will offer an interesting alternative. Verify the plausibility before taking action.

PISCES (Feb. 19-March 20): Keep life simple. Follow through with your promises, and avoid arguments with loved ones, bosses or anyone who could affect your reputation, status or ability to get ahead.
