## YOUR HOROSCOPE

MONDAY, JUNE 3, 2019

Seize the moment, look for new prospects and don't be afraid to do things by yourself. Stretch your mind, and make alterations that will coincide with what you are trying to accomplish.

**ARIES (March 21-April 19):** Plan to do something you enjoy, but take care of your responsibilities first. How you handle others will determine your attitude. Kindness will always get you further ahead.

**TAURUS (April 20-May 20):** Stop thinking about what you want, and go after your goals wholeheartedly. Set up talks or confront situations that need to be addressed in order to make a move.

**GEMINI (May 21-June 20):** Refuse to let your emotions take over or lead you into something that isn't right or good for you. Concentrate on your pursuits, and look for the best way to get things done.

**CANCER (June 21-July 22):** Stay focused on what you need to get things done. Progress will be what impresses onlookers. Don't be fooled by someone trying to distract or mislead you.

**LEO (July 23-Aug. 22):** Touch base with people you have collaborated with. Running your ideas by someone who understands the way you think and who may want to get involved in your plans will help you figure out how to move forward.

**VIRGO (Aug. 23-Sept. 22):** Instead of trying to change someone else, concentrate on making personal adjustments that will better prepare you for what's to come.

**LIBRA (Sept. 23-Oct. 22):** Forge ahead using your intelligence, intuition and what you know. Refuse to let someone stand in your way or waste your time on things that will not benefit you.

**SCORPIO (Oct. 23-Nov. 21):** Look outside your immediate surroundings for answers. A daytrip or visiting a place that will spark your imagination will pay off.

**SAGITTARIUS (Nov. 22-Dec. 21):** Listen to your heart as well as your intuition when dealing with others. What someone says and what actually happens will lead to confusion if you are too accommodating or gullible.

**CAPRICORN (Dec. 22-Jan. 19):** Make adjustments to your surroundings that will give you a place to unwind. Comfort, convenience and being with people you find easy to share your space with will help motivate you.

**AQUARIUS (Jan. 20-Feb. 18):** Expand your interests, friendships and knowledge. Listen to what's being said, and consider how best to use the information you gather.

**PISCES (Feb. 19-March 20):** Physical fitness coupled with a healthy diet and lifestyle will make a difference to the way you feel. Get together with people who are good influences and will support your effort to be the best you can be.
