ARIES (March 21-April 19) ★★★ Be aware of the limitations of the **Moon Alert**. Nevertheless, this can be a warm and happy day, especially with family members. This is the only New Moon all year that offers you a chance to think about how to improve your home and relations with family. Tonight: Socialize!

TAURUS (April 20-May 20) ★★★★★ Be aware that most of this day is a **Moon Alert**. Restrict your spending to food and gas. However, today's New Moon is an excellent opportunity to think about your style of communicating to others. Do you genuinely listen? Do people understand you? Tonight: Home and family.

GEMINI (May 21-June 20) ★★★ Today the only New Moon that occurs in your Money House all year is happening. Meanwhile, today is a **Moon Alert**. Therefore, be careful about spending! Do your homework, but restrict today's spending (during the **Moon Alert**) to food and gas. Tonight: Discussions.

CANCER (June 21-July 22) ★★★★★ Today has its opportunities and challenges. The New Moon in your sign is a lovely opportunity to take a realistic look in the mirror and improve your image. LEO (July 23-Aug. 22) ★★★ Today's New Moon is your chance to think about your spiritual values and small resolutions. "Do not take lightly small good deeds, believing they can hardly help; for drops of water, one by one, in time can fill a giant pot." (Dilgo Khyentse.) Tonight: You win!

VIRGO (Aug. 23-Sept. 22) ★★★★★ Your focus today is on friendships — what they mean to you and what kind of a friend you are. Use today's New Moon to think about how to improve your friendships. Meanwhile, most of this day is a **Moon Alert**. (Restrict spending to food and gas.) Tonight: Enjoy privacy.

PISCES (Feb. 19-March 20) ★★★★★ This is a very creative day for you! Enjoy schmoozing and socializing with others, especially old flames and people from your past. Restrict spending the food and gas because of the **Moon Alert**. Tonight: Work to get better organized.
