Nevertheless, respect the restrictions of the Moon Alert! Be wise. Tonight: Check your finances.

**TAURUS** (April 20-May 20) ★★★★★ Relations with others are warm and mutually supportive today. It's a lovely time to socialize with partners and close friends, as well as members of the general public. Someone older or more established might have advice for you. Wait until the Moon Alert is over before you act. Tonight: Co-operate.

**LEO** (July 23-Aug. 22) ★★★ This is a solid day for family matters and issues related to home and family. In particular, you might want to make financial decisions related to your home or a family member. Get your data and do your homework, but wait until the Moon Alert is over before you act. Tonight: Relax at home.

**VIRGO** (Aug. 23-Sept. 22) ★★★★★ This is a marvelous day to schmooze and talk to others, because your ability to sell, market and negotiate is tops. However, be aware of the restrictions of the Moon Alert. Get your ducks in a row, but wait until the Alert is over to act. Tonight: Lively conversations.

**LIBRA** (Sept. 23-Oct. 22) ★★★★★ Today is all about finances, cash flow, your possessions, your work and your good name. And the truth is that all of these areas are beautifully blessed today! However, there is one tiny caveat: There is a Moon Alert
