### RULES

1 Each row and each column must contain the numbers 1 through 4 (easy) or 1 through 6 (challenging) without repeating.

2 The numbers within the heavily outlined boxes, called cages, must combine using the given operation (in any order) to produce the target numbers in the top-left corners.

3 Freebies: Fill in single-box cages with the number in the top-left corner.

## YOUR HOROSCOPE

MONDAY, FEBRUARY 18, 2019

Make changes for the right reason. Consider what will benefit you the most. Look for opportunities that will encourage you to update and use your skills to fit a trend or job market.

**ARIES (March 21-April 19):** Take one step at a time. If you act on an assumption, you will have regrets. Getting along and seeing the positive in whatever situation you face will be liberating.

**TAURUS (April 20-May 20):** Lay down some ground rules, and pick up the pace. Make a unique contribution to change someone's life. Love, romance and personal improvements will bring you joy and set you on a path that will add to your security.

**GEMINI (May 21-June 20):** Don't trust what someone tells you; believe in yourself, what you know to be factual and what you are capable of doing.

**CANCER (June 21-July 22):** Use your imagination, surprise someone you love and focus on what's important to you. Discussing your plans will bring you closer to the person you want to spend time with most.

**LEO (July 23-Aug. 22):** It's time to get moving and to get things done. Change begins when you've mastered your skills and you have the confidence to use them in your own special way.

**VIRGO (Aug. 23-Sept. 22):** Take a critical look at yourself, your life and your prospects. Do something that will turn your dream into a reality.

**LIBRA (Sept. 23-Oct. 22):** Look beyond your situation and consider how best to maintain balance and peace in your life and still be able to achieve your goals.

**SCORPIO (Oct. 23-Nov. 21):** Use your imagination and originality. How you separate what you have to offer from others will invite opportunities with people who are open to doing things differently.

**SAGITTARIUS (Nov. 22-Dec. 21):** Concentrate on personal goals and changes that will give you the edge in a competitive situation. Understanding what others want and are willing to do will help you direct your energy wisely.

**CAPRICORN (Dec. 22-Jan. 19):** It's OK to show emotions and to tell someone how you feel. Speak up; you will be able to bring about a change that will make your life better.

**AQUARIUS (Jan. 20-Feb. 18):** Keep busy and accomplish as much as possible. The less time you waste explaining yourself and the more time spent being productive, the better. Pull in the people you know can do a good job without supervision.

**PISCES (Feb. 19-March 20):** Stand up and help those less fortunate. Being fair and nonjudgmental will lead to greater recognition and opportunities. A personal change will prepare you for an offer that is too good to turn down.
