pened?) Admittedly, you will be impatient with others. This also might be a situation dealing with a pet. Tonight: Patience. **TAURUS** (April 20-May 20) ★★ Romance might suffer from arguments and impulsive decisions today. Ironically, it might even happen because someone feels bored and wants to create a stimulating situation to make life more interesting. Don't do this. Meanwhile, parents should be extra vigilant with their kids to avoid

accidents. Tonight: Be understanding. **GEMINI** (May 21-June 20) ★★ Your home and family routine will be interrupted today. Small appliances might break down or a minor breakage could occur. A family member might have surprising news. Someone unexpected might knock on the door. Stock the fridge -- food is always reassuring. Tonight: Don't challenge au-

CANCER (June 21-July 22) ★★★ Pay attention to everything you say and do today, because this is an accident-prone day for you, definitely. (Obviously, an accident does not have to happen if you are mindful and aware.) However, an unexpected distraction could put you at a disadvantage. Be careful. Tonight: Stay positive. LEO (July 23-Aug. 22) ★★★ Keep an eye

on your possessions and money today. Something unexpected could create a problem for you. On the upside, you might find money. On the downside, you might lose money. Be smart and protect what you own against loss, theft or damage. Be alert! Tonight: Check your money.

VIRGO (Aug. 23-Sept. 22) ★★ Today Venus in your sign is at odds with unpredictable Uranus. You might have a strong urge to "get things out in the open." Or perhaps you want to seek new, unusual experiences. Whatever the case, your desire to flirt with the unknown could create problems in a relationship. Tread carefully. Tonight: Choose to compromise.

.IBRA (Sept. 23-Oct. 22) ★★★ You are strong, focused and a bit aggressive now with Mars in your sign. You're also talkative because Mercury is in your sign. However, today something unexpected that is going on behind the scenes could catch you off guard. Don't do anything that you might later regret. Tonight: Be

take for granted your relations with parents, bosses, teachers and the police today. Something out of left field could change everything in an instant. Suddenly, you might be at odds with an authority. You might have to explain yourself. Don't be caught with your hand in the cookie jar. Tonight: Be respectful.

PISCES (Feb. 19-March 20) ★★★ Caution about flirting and looking for new experiences today, especially if toying with the idea of making someone jealous. You might bite off more than you expected.
