ROYAL STARS  
YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: There are no restrictions to shopping or important decisions today. The Moon is in **CAPRICORN**.

ARIES (March 21-April 19) ★★★★★ Today Neptune moves into your sign, which means that in the next decade, you might project a different image to others. Old labels might no longer fit. In fact, others might wonder who you really are. This will be a change in how you relate to your world. Tonight: Be modest.

TAURUS (April 20-May 20) ★★★★★ Do something different today to shake things up a bit, because you feel restless and eager for adventure. People notice and admire you. Furthermore, you're ambitious and particularly successful at talking to younger, creative people. Tonight: Explore!

GEMINI (May 21-June 20) ★★★★★ This is a good day to wrap things up. Your efforts to talk to bosses, parents and authority figures will bring the results you want. Make travel plans or explore future vacation ideas. You want to do something to expand your horizons! Tonight: Check your finances.

CANCER (June 21-July 22) ★★★ Today Neptune moves to the top of your chart to stay for the next decade. This means you might begin to question what you're doing in your life. You might wonder if you're on the right path. Many of you might seek a career change because you want to do something more meaningful and helpful. Tonight: Be agreeable.

LEO (July 23-Aug. 22) ★★★ Today, for the first time in your life, Neptune is in **ARIES** for the next decade. You'll find that in this window of time your idealism will grow and your compassion for others will be stimulated. Creative efforts will bring results because your imagination will also soar! Tonight: Get better organized.

VIRGO (Aug. 23-Sept. 22) ★★★★★ In the next decade, Neptune will be travelling through one of your Money Houses, which can create confusion. Therefore, be extra cautious about your financial dealings with others. Be careful gambling or being swindled. Caution. Tonight: Socialize.

LIBRA (Sept. 23-Oct. 22) ★★★★★ Neptune will be opposite your sign for the next decade, creating confusion in your closest relationships. It can also contribute to fatigue and iron deficiency. Take care of yourself. Be clear in all your communications. Don't leave anyone in doubt about your intentions. Tonight: Relax at home.

SCORPIO (Oct. 23-Nov. 21) ★★★★★ Today Neptune moves into **ARIES**, which is something no one alive today has ever experienced. It could create confusion in health issues, as well as your job. You might feel disillusioned with what you're doing and want to seek work that benefits others. Tonight: A meaningful conversation.

HAPPY BIRTHDAY  
For Friday, Feb. 13, 2026:

You're quick-witted, extroverted and sensation seeking, as well as bold, imaginative and trendsetting. This is a year of teaching and learning. Take time to renew your spiritual or religious beliefs. Explore philosophies that give you a better self-awareness and get you closer to the meaning of your life.

BORN TODAY

Actress Mena Suvari (1979), singer-songwriter Robbie Williams (1974), actor Tony Dalton (1975)

experienced. It could create confusion in health issues, as well as your job. You might feel disillusioned with what you're doing and want to seek work that benefits others. Tonight: A meaningful conversation.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★★ Artists will flourish in the next decade because Neptune will increase your ability to visualize and imagine to a much greater degree. You will also become more romantically idealistic, which could create disappointment because you might expect someone to live up to your ideal perfection. (Not going to happen.) Tonight: Check your money and assets.

CAPRICORN (Dec. 22-Jan. 19) ★★★★★ Today Neptune is moving into **ARIES**, which you have never experienced before in your life. This could encourage confusion on the home front in the next decade. Communications with parents might be challenged. You will also want to create your ideal home, and your urge to do this will start to grow. Tonight: You're persuasive.

AQUARIUS (Jan. 20-Feb. 18) ★★★★★ Today Neptune changes signs, which means your communications with others in the next decade will be affected. Be careful how you talk to others. Be as clear as possible, because serious misunderstandings might occur. Don't let your imagination interfere with the facts. Tonight: Enjoy your privacy.

PISCES (Feb. 19-March 20) ★★★★★ Be careful with your financial dealings in the next several years, because fuzzy Neptune is entering your House of Money and Possessions, which can create confusion. It might tempt you to gamble. (Not good.) Avoid risky schemes and protect your best interests. Tonight: Talk to a friend.
