The Antelope Valley Press is planning its 16th special edition to celebrate young people and their potential to blaze a trail into their future hopes and dreams. This special section will publish on March 10, 2019.

What young person do YOU know who is doing something noteworthy?

A young leader can be the brightest scholar, show promise in the arts or in the sciences, be a community volunteer or top Scout. A Future Leader can be headed for a military academy or to college on a scholarship, whether it be for athletics or academics. Their talents and potential are boundless.

The Antelope Valley Press extends this invitation to you to nominate young people in the community who show signs of future greatness but who also are worthy of recognition now. Please fill out the nomination form below, highlighting their achievements and their future goals and dreams.

The deadline for nominations is 5 pm Thursday, January 31. If you have any questions, call Jennifer Garcia at 661/267-4119.
