YOUR HOROSCOPE

WEDNESDAY, JUNE 5, 2019

Look at the possibilities, but don't go overboard. Plan your actions carefully, and stick to a budget you can afford. How you go about obtaining information and using what you discover to get ahead will make a difference to the way others treat you.

ARIES (March 21-April 19): A decision will disrupt your plans. Look for an alternative way to do things that allows you to live up to the demands being made.

TAURUS (April 20-May 20): How you go about doing things will make a statement. A personal change will generate good feelings and push you in a new direction.

GEMINI (May 21-June 20): Truth will play a role in what transpires. Don't rule out what others do or say. Listen carefully, and do whatever it takes to verify information necessary to your success.

CANCER (June 21-July 22): Use your emotions to create something beautiful. It's what you do with pent-up energy that counts. Take the initiative, and make positive changes.

LEO (July 23-Aug. 22): Situations will not be as they appear. Hold off getting into a debate until you have all the facts. A change someone makes should not prompt you to follow.

VIRGO (Aug. 23-Sept. 22): Act on facts, not assumptions. You have everything to gain if you use intelligence, experience and know-how to get what you want.

LIBRA (Sept. 23-Oct. 22): Do your research. Set up meetings and visit people and places that give insight into your alternatives.

SCORPIO (Oct. 23-Nov. 21): Travel, read and immerse yourself in the unfamiliar or different cultures. You will grow in positive ways. A change will encourage you to take a step toward a lifestyle you've been dreaming about for years.
