YOUR HOROSCOPE

FRIDAY, JULY 5, 2019

It's up to you to look for opportunities, and once you do, take action. Your happiness and success depend on your actions and your ability and desire to improve your life. Hard work will pay off, so use your experience to build the life you want.

ARIES (March 21-April 19): Being active and spending time with people who make you think and encourage you to do your best will lead to positive personal changes.

TAURUS (April 20-May 20): Do what needs to be done, and say as little as possible. If you start complaining about someone, you are likely to end up being criticized for being insensitive.

GEMINI (May 21-June 20): Bring about a change that will be impressive. Collaborating with someone who challenges and inspires you will bring good results.

CANCER (June 21-July 22): Use your charm to get your way. You don't have to make promises, but using compliments will get others to pitch in and help.

LEO (July 23-Aug. 22): Don't let generosity be your downfall. Set an entertainment budget, and take only that much cash with you when you go out. Leave your credit and debit cards at home to ensure you stick to the savings plan you set.

VIRGO (Aug. 23-Sept. 22): Before you agree to get involved in a joint venture, look at the logistics behind the proposal being offered.

LIBRA (Sept. 23-Oct. 22): Listen before you respond. Consider how others treat you before you offer too much of your time, talent or services. Make a change or a move because you want to, not because someone is strong-arming you.

SCORPIO (Oct. 23-Nov. 21): Stick to what you want, and you won't end up annoyed that you let someone take advantage of you.

SAGITTARIUS (Nov. 22-Dec. 21): You can talk your way in or out of anything, but before you decide to offer information that may be exaggerated or based on speculation, you should consider the consequences.

CAPRICORN (Dec. 22-Jan. 19): Take time to put personal changes into place. Better diet and exercise will lead to improved health and greater vitality. Make the most of your day by spending time with the people you love.

AQUARIUS (Jan. 20-Feb. 18): Consider what's best for you, and carry on. Don't let others cost you. Draw a line when it comes to people who drag you down. Unequal relationships will lead to resentment.

PISCES (Feb. 19-March 20): Make plans with someone you love. Working as a team player will have a favorable influence on you. A physical change will take place if you strive to live a healthier lifestyle.
