#### WEDNESDAY, MAY 8, 2019

Know what you want before you decide to discuss your plans. Preparation will be the key to your success this year, so don't try to whizz your way to the top without strategy and structure in place.

ARIES (March 21-April 19): Don't push your luck when dealing with someone who is in a higher position. Listen and learn. You'll make a good impression and be given more responsibility.

TAURUS (April 20-May 20): What you accomplish on your own will put you in a good bartering position. Issues concerning institutions and medical facilities should be handled with transparency

GEMINI (May 21-June 20): Think before you respond or act. You'll be inclined to agree to something you shouldn't. Excess will lead to a problem with the person you share your responsibilities with.

CANCER (June 21-July 22): Channel your energy in a positive direction. Open up to someone you care about, and

build a closer bond. LEO (July 23-Aug. 22): Set boundaries when dealing with people who are unpredictable. Listen carefully, and be on guard to counter any negativity that comes your way.

VIRGO (Aug. 23-Sept. 22): Your involvement in trade shows, seminars, business trips and meetings will give you the advantage when it comes to work, educational pursuits and advancement.

LIBRA (Sept. 23-Oct. 22): Tread carefully when dealing with matters of an emotional nature. Look for a way to keep the peace and to use your intelligence and charm to get others to pitch in and help.

SCORPIO (Oct. 23-Nov. 21): Learn as you go. Experience is the spice of life, and integrating who and what you know with what you want to learn will give you a broader outlook regarding what's possible.

Jumbles: ADAGE PROPER CHAOS BABBLE Answer: If wild pigs could live anywhere in the world, they might choose - "BOAR-A BOAR-A"

### SAGITTARIUS (Nov. 22-Dec. 21):

You'll be torn between what you should do and what you want to do. Refuse to let anyone meddle in your affairs or pressure you into doing something you shouldn't.

CAPRICORN (Dec. 22-Jan. 19): Personal improvements can be made. A change of attitude will help you clear up a problem you have with someone. Winning over people will be easier if you can offer something for their time or trouble.

AQUARIUS (Jan. 20-Feb. 18): Stay active, and keep your plans rolling forward. The busier you are, the easier it will be to avoid unpredictable situations. Don't reveal your secrets, private information or passwords. Personal improvements can be initiated. Romance is on the rise.

PISCES (Feb. 19-March 20): Problems at home or at work will surface if you let your emotions take over. If you overreact or make assumptions, you will end up looking bad.
